UP21 Foundation's 5th annual fundraiser, "Take a Walk in the Park", for family, friends and supporters of individuals with Down syndrome will be held Saturday, March 25th, 2017 at 10am at the trailhead on Koop Drive in Mandeville. We are currently seeking donors and hope you will join us in supporting our efforts. Your donation will help us to continue to provide family support, educational services and outreach to individuals with Down syndrome, their families and their educators, and to promote understanding and acceptance of individuals with Down syndrome.

In our first four years we have received an outpouring of support from this community. This support has allowed us to host a 2-day Down syndrome educational conference with internationally recognized experts, a world-renowned medical researcher in the field of Down syndrome as well as numerous workshops. Our goal is to continue to provide the most current resources to our families.

UP21 is excited to host a 5-day bike camp, iCan Shine, this June. This national program is very successful in teaching individuals with developmental disabilities to ride a conventional two-wheel bike.

We are seeing donations for our raffle and food booths. Your donation is appreciated and is tax deductible. Your business name will be recognized on our website, on our Facebook page and on our "Thank You" banner displayed at the walk. Please complete the donation form attached and include the fair market value of your donation. (EIN 46-1703166)

This fundraiser will help spread the word within our community about the abilities of individuals with Down syndrome, and we thank you in advance for your participation and generosity in making this event successful.

Sincerely,

UP21 Board of Directors
